**TRAIL OF 100 GIANTS:**

The Trail of 100 Giants is **OPEN** with some of the trail closed due to winter damage. **Parking Fee; \$12**

This trail is one of the most popular hiking trails in the Giant Sequoia National Monument. It’s accessible by road during the summer months (**May 15 – Nov. 15, weather dependent**). It provides an easy walk on a fully accessible trail. The trail is a self-guided interpretive trail about 1.3 miles long. The Grove contains 125 giant sequoias over 10 feet in diameter and 143 sequoias fewer than 10 feet in diameter. The largest tree in the grove has a diameter of 20 feet and is 220 feet in height. The age of these trees is estimated to be between 500 and 1,500 years old.

**TRAILS & WILDERNESS:**

**Golden Trout Wilderness;**

Permits are required for overnight stay in the Golden Trout Wilderness year-round. They can be obtained free of charge by calling one of our offices for directions. Changing weather conditions this time of year could bring snow even at the lower elevations. Always check the weather forecast before you go and tell someone you trust of your plans. Please exercise extreme caution when crossing streams and rivers. **Check with the local ranger station for current information and weather conditions prior to any travel.**

Please remember: Dogs are NOT Allowed on Sequoia National Park trails. However, Dogs ARE Allowed on Sequoia National Forest, Giant Sequoia National Monument trails.

**ROADS:**

Some forest roads are still closed due to Storm Damage. Check weather reports and call the ranger station about the status of particular roads before heading out. Changing weather conditions this time of year could bring snow even at the lower elevations. Always check the weather forecast before you go and tell someone you trust of your

plans. Always carry tire chains in your vehicle as well as extra food, water, and warm clothing while traveling in the mountains.

**Mountain Home State Forest Campgrounds:** **CLOSED** for the season. Call for updated info. Summer: Phone (559) 539-2321 or Winter: Phone (559) 539-2855. Both of these campgrounds have limited spaces available.

**GLASS BOTTLES NOT ALLOWED ON THE TULE RIVER**

In response to large amounts of broken glass found along the Tule River the Forest Service prohibits alcoholic beverages and food in glass containers along portions of the River. This prohibition is to protect public health and safety for visitors in the "area," said District Ranger Eric LaPrice. Possessing or storing alcoholic beverages or food in glass containers is prohibited along the Tule River from Wishon Campground to its intersection with Highway 190 and from the Forest Service boundary along Highway 190 to the Moorehouse Fish Hatchery located just below Camp Nelson.
