We hereby submit specifications and estimates for: Once Six inches of snow have covered the hydrants we will be activated to remove the snow from the hydrants at $17.00 per location. A clearing of 3½ feet wide by 2½ feet wide will be made around each hydrant/location, for all locations (hydrants & community buildings/well houses). This will be the normal routine unless one storm accumulates an extra 6 inches. A $1.00 fee will be added to every additional 6 inches. For example, if we get 10 inches of snow the price is still $17.00 per location; if we get 12 inches of snow the price becomes $18.00 per location. If we get 18 inches of snow the price becomes $19.00 per location etc,... The additional $1.00 fee will only be added once measurements hit a complete 6 inches. Activation of Snow Removal will start after measurement of 6 inches of snow, this will be recorded on a snow log with dates & measurements of each storm we will also inform whoever is in charge, that snow removal has been activated. Toras Tree Service will use their own equipment. Toras Tree Service is solely liable for any equipment failure or injuries that could potentially occur on PCSD property. Proof of insurances (liabilities, equipment insurances, workmans compensation insurance & bond) can be provided upon request. Proof of licenses (CA State contractors license, County license, SAM registered through Federal gov't, Vendor of FEMA, LTO Class B) can be provided upon request

We propose hereby to furnish material and labor – complete in accordance with the above specifications for the sum of:

$ Seventeen and 00/100 per location Dollars

with payments to be made as follows: Specifications above

Any alteration or deviation from above specifications involving extra costs will be executed only upon written order, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents, or delays beyond our control.
