Please describe below:

Is this an income generating property: Yes/No (ex. *will it be used as a rental property*)

Has this property previously been supplied with water? _____

Are there additional detached buildings where water will be provided from the same service connection?

No/yes...If yes, please explain below:

Please Note...

The Ponderosa Community Services District provides a standard $\frac{3}{4}$ inch water service connection and meter.

1. If application is for service to an unimproved property, there will be a one-time \$2,500.00 Facilities Development Fee us due and payable at the time of application.
2. New service applications are subject to a charge of \$700.00 payable before service is connected. Annual fees will be pro-rated and an invoice rendered when device is connected.
3. District Ordinance 99-W-1 establishes the regulations regarding service connections. New applicants are invited to discuss these regulations with the System Manager or they may review Ordinance 99-W-1 by appointment with the Office Manager. A copy of Ordinance 99-W-1 is available from the Office Manager at a cost of \$5.00.
4. Attached is a copy of the current rate schedule.

I hereby apply for water service to the above premises **and** I thereby agree to use and pay in accordance with the rates and rules legally in effect and on file with Tulare County Environmental Health Services Division.

(Signature of applicant)

Separate checks are required for the \$2500.00 facility development fee and the \$700.00 fee. Please make checks payable to Ponderosa Community Services District.

Mail completed application with fees to:
Ponderosa CSD
56827 Aspen Dr
Springville, CA 93265

Application may be hand delivered to any board member or the water manager while at Ponderosa.

If additional information or assistance in completing this application is needed, please contact the Office Manager and/or System Manager at the PCSD Office (559) 542-0913 or at home (559) 539-5023.
